

Stepping Black

INDIGENOUS CORPORATION AUSTRALIA

'Murriss Making Music' Workshops

As part of the lead up to the South Burnett and Cherbourg on Show Festival, Stepping Black secured funding from the ACICC to support a Music Workshop, Concert and Lunch by the Lake (Bush Tucker Flavours).

Our very talented musicians from the Stepping Black Team, John and Kerry-Ann, organised and facilitated the three day 'Murriss Making Music' Workshops at the Ration Shed during the last weekend of September.

They had such a great time with the participants that we are not sure if you could call it a "work" shop!

The Indigenous musicians who attended at different times over the three days were able to improve their skills in areas such as singing, stage presence, performance tips, microphone techniques, chord and melody arrangement and song writing.

Plus – together – they all wrote a song! The lyrics and music was developed by the group.

How great is that? Next step is to get it ready to be recorded!

Thanks to the experienced musicians who contributed their skills and equipment to ensure the success of the workshops and also to the Ration Shed for a great venue with great hospitality.

BIG THANK YOU

Stepping Black would also like to thank everyone who helped them during the workshops and over the long weekend festivities.
