

South Burnett & Cherbourg on Show

What a fantastic festival of events across the South Burnett and at Cherbourg.

Zona's focus was on ensuring the Indigenous events were developed to promote a positive image of the strong and amazing Indigenous culture in the area. Zona, as part of the organising committee played a key role in pulling the various Indigenous and other events across the region together.

Stories and reports can be found on

Ration Shed & Yurri Muntha Café at Cherbourg

Cherbourg also put their best foot and food forward.

The Ration Shed Tour was enjoyed by all who visited to take the tour that incorporates the history of the Cherbourg community.

Visitors also enjoyed the "French Flavour" lunch of Duck a l'Orange served at the Yurri Muntha Café.

Reports say it was delicious and 'top' class. Top restaurant quality food and presentation. An absolute credit to Chef Sheree and her team of Indigenous Catering Trainees!

French lunch – I hear you ask? What is that about? Well just a little quirky play on the French background of the name 'Cherbourg'.

Congratulations to our very talented Chef Sheree and her Team.
