'Weaving Weekend'

Weekend of Weaving, Wellbeing and Wonderful Women with the Djabagai Rainforest Weavers and the Kunwinjku Weavers from Gunbalanya, West Arnhem Land supported by Rene from Weavery.com.au and Dale Chapman, Aboriginal Chef

The weekend was held on Wakka Wakka Country and started with lunch and a guided tour of the Ration Shed Historic Precinct at Cherbourg. The weekend of weaving took place at the Barambah Environmental Education Centre. The Weavers enjoyed the interaction with other women and the great ideas and knowledge shared by the visiting weavers from Djabagai Rainforest and West Arnhem Land. Thanks to Rene for her great support in organising our visiting weavers and to Chef Dale for our wonderful food.
